

ACE DRESS CODE

At ACE we aim to create a calm and positive environment with high standards of learning and behavior. Therefore we must have pupils in appropriate clothing for a school setting.

We want pupils to be comfortable in what they are wearing however the following items are not permitted:

-
- **Clothing that reveals the chest, stomach, or top of legs such as:**
 - Skirts or dresses that are above the mid-thigh
 - Shorts
 - Short tops that show the mid-riff
 - Low cut tops
 - See through clothing
 - **Slippers**
 - **Pyjamas**
 - **Offensive slogans**

For pupils who prefer to wear some form of uniform we recommend black bottoms and black or white tops.

If a pupil arrives at ACE wearing inappropriate clothing we will contact parents/guardians to bring in more suitable clothing to change into.

Alternatively the pupils will be given work to take home or work in isolation if they are not able to be collected.
